FIGHTING CANCER TOGETHER

**LIFE HAS CHANGED SINCE I LEARNED
THAT I HAVE CANCER !!!**

Life has become better because
I have learned that faith can get me
through pain and suffering
I have learned to look at my weakness
and aim for perfection
I have learned to be strong and fight
my own battle
I have learned to value the presence
of my family and friends

I have learned that my Doctor can be
my best friend
I have learned that people care for me
I have learned that I have so much to
share with others
I have learned that I have so many
reasons to be happy
In spite of Cancer, I have learned that

LIFE CAN BE BETTER

PRESIDENT'S MESSAGE

The Cancer Society of Sri Lanka has up to now rendered over 71 years of humanitarian service, helping in our Island home to combat the continuous war against the dreaded disease Cancer.

The growing number of Cancer patients have become a major problem both locally and globally, predominantly caused by smoking of cigarettes and consumption of liquor. The recent significant increases pointing to pollution and changing life styles.

In this backdrop, it is encouraging to note much research is being carried out by the developed countries, making major breakthroughs such as by Immune Therapy. It is reported that an International team of Scientists from John Hopkins University have found what causes the spread of Cancer and what could slow the process. In that team Hasini Jayathilaka a Sri Lankan is named as one of the Researchers, bringing great pride to the country.

The Government on their part is developing Cancer units and enhancing facilities at Main and District Hospitals, thus easing the congestion and accessibility for treatment to the patients. In this regard, Kotalawala Defense University Hospital is fast becoming a fully-fledged Cancer Unit equipped to handle exigencies.

However, in spite of legislation, the Government has not been entirely successful in preventing smoking in public areas including in hotels, thus endangering the passive smokers who are innocent victims in the process.

With a major dip in the Fund raising and having to manage an additional 32 bed Ward, the Society is desperately seeking funds to carry out its numerous day to day activities.

The Society has been fortunate for the commitment of the Staff in the Head Office, at the Homes and the Hospice the support of fellow Committee Members, the compassion of the Volunteers and more importantly the generosity of the Donors. It is my fervent hope that they will all rally round in the coming years to sustain the momentum of the humanitarian services performed by the Society in the Cause of Cancer.

Senthooreselvan, Mr. K. Weeratunga, Mr. Oliver B. Weerasena, Mrs. Shantha Weeraratne, Mr. & Mrs. Don E. Weerasinghe and Mrs. Merle Weerasinghe

The minutes of the 70th Annual General Meeting held on February 23, 2018 were confirmed. Proposed by Mrs. Shantha Abeysekera and seconded by Mrs. Sha-Kou Ching.

The President Mr. A.J.B Anghie declared the meeting open and welcomed all those present.

He next introduced and welcomed the Chief Guest Dr. Palitha Abeykoon, outlining his varied areas of work and achievements.

The President addressing the gathering commented that the main focus of the WHO was on Non Communicable Diseases (NCD) in the past year, and that Cancer is one such. He pointed out that Tobacco consumption is one of the main contributors to the incidence of Cancer and that the economic cost of Tobacco related deaths outweighs the tax revenue from Tobacco products.

He welcomed the establishment of the National Authority on Tobacco and Alcohol and outlined a number of Government initiatives taken to control the use of Tobacco. He regretted the inaction in countering the lacuna in Section 39 of the Act in relation to smoking in public places.

He thanked all donors who helped the Society through a difficult period financially, making special mention of Mr. Sohli Captain.

He thanked Mr. Hemaka Amarasuriya for chairing the Annual Fund Raising Appeal which resulted in a record collection. He appreciated his unstinted cooperation and time given to the Society.

He stated that the Society regretted having to close the Canteen which it operated at the Apeksha Hospital since 1985 serving patients, staff and visitors. The Hospital decided to run its own Canteen now, he said.

He congratulated Shanaya and Nayantara Perera of Photocause who promoted Cancer awareness and raised funds for the Society and highlighted the value of young people interested in community work.

He explained the new initiative - the Opportunity Shop and appreciated the significant and useful revenue it brings in.

He stated that a detailed account of the Society's activities could be found in the Committee Reports.

He thanked the Staff and all Volunteers and acknowledged that they are the backbone of the Organization and without whose dedication and work the Society would be unable to function.

The President next called upon the Chairman, Mr. L D A Jayasinghe to deliver his address.

Addressing the gathering he said that his involvement with the Society in various capacities for 39 years of its 71 year history had brought him much joy and merit from aiding an 'invaluable humanitarian cause'.

He hoped that the Hospital managed by the Kotalawala Defence Academy which was in the process of procuring equipment and medical personnel will become fully functional to treat those afflicted with Cancer.

The services of the Society were initially carried out by 5 main Committees, one of which was the Canteen Committee. He detailed the latter's efficient operation over a period of 34 years and regretted that the Canteen run by them at the Apeksha Hospital was closed down due to reasons beyond the control of the Society.

He explained that the services of the Society are now carried out by 4 main Committees with the entirety of the Society's operation overseen by the Executive Committee and the Finances monitored by the Finance Committee. The Head Office is manned by a committed Staff, he added.

The Cancer Homes rendered invaluable and excellent service and provided shelter to patients undergoing treatment at the Apeksha Hospital he said. Successful lobbying for funding and donations as well as donations from grateful and appreciative donors and well-wishers lessened the financial burden of running the Home, he added. The residential capacity of 50 beds will increase soon with the completion of the extensive refurbishment of another Ward by dedicated donors and volunteers. However, the expenses of caring for the added patients will require more funds, he pointed out.

The Hospice which is the 'show piece of the Society "continued its quality service providing comfort and care to terminally ill Cancer patients" he said. He thanked Mr. Sohli Captain for his annual, magnanimous donation which makes all this possible.

He praised the services rendered by the Relief and Rehabilitation Committee and acknowledged the increased Sponsorship and help procured for the Cancer patients they assist.

The yeoman service provided by the Public Education Committee to propagate the message of prevention and control of Cancer was much appreciated, he said. The successfully operated, innovative concept of an "*Op -Shop*" held in the Head Office premises, brought in much needed funds. He expressed gratitude and appreciation to the volunteers in charge and made special mention of Mrs. Janaki Seneviratne.

He thanked the Finance Committee for their invaluable service in regulating the finances and expenditure of the Society amidst rising inflation. The income was the same as the previous year disregarding notional loss of interest in quoted shares. The unexpected, magnanimous donations received from Philanthropists contributed greatly to meet expenditure, he said. Special mention was made of the tireless work by Ms. Anoja Karunaratne and Ms. Premila Perera.

The Branches also rendered yeomen service, effectively representing the Society outstation, he said. He commended the Kandy, Moratuwa, Galle and Batticaloa Branches for their good work, singling out the Kandy Branch as the 'model and pride among the Branches'.

He profusely thanked Mr. Sohli Captain for his generous annual donation of Rs 15 Million towards maintaining the Shantha Sevana Hospice and all other valued donors. He made special mention of the following major donors: Mrs Sheila Peiris Trust, Health Ministry Grant, D.S Jayasundera Trust, Late Mr and Mrs. Robert Bogoda Trust, David Peiris & Company, Mr Suresh Fernando, John Keells PLC , Mr. Wiren Perera, Mrs. Preethi Jayaratne, Ian and Anula Peiris Trust, NCD Alliance, Mrs. Jennifer Kelaart and Mrs. Prisca Fernando.

He thanked Mr. Hemaka Amarasuriya for heading the very successful Annual Fund Raising effort resulting in a record collection and appreciated his admirable commitment and dedication. His thanks also went out to Ms. Perin Captain "*the Mentor and Guardian Angel of the Society who nurtures and helps it reach heights*"

With the help of Novartis and NCD Alliance, an initiative of Ms. Anoja Karunaratne, the Society had the honour of being awarded an Associate Membership of Union for International Cancer Control - Geneva, Switzerland.

He acknowledged with gratitude the contribution of Dr. Avantha Atapattu who installed a Solar Power System at the Hospice at a cost of Rs 1.5 Million and Mr. Wijitha Perera and his team of Engineers who constructed Nurses quarters at the Hospice at a cost of Rs. 1 Million.

He thanked Mr. Wannigama, representative from the Airport and Aviation Katunayake - for helping with the Till placement at the Airport over so many years and Ms. Perin Captain and her group of volunteers for sorting and counting both the local and foreign currency received.

He sincerely thanked the Legal Adviser Mr. Nithi Murugesu for his time and valuable advice, on an Honorary basis and was also greatly appreciative of KPMG the Honorary Auditors.

He thanked the Health Ministry Officials, the Director and Staff of the Apeksha Hospital for their help and cooperation which aids the Society to achieve its objectives.

He conveyed his best wishes to Mr. Francis, the Administrative Secretary who was leaving the Society having served it for years with distinction.

He thanked young Hiruni Wansapura who donated the proceeds from a book she authored to the Society and held her up as an example of the value of inculcating charity work in children.

He concluded by gratefully thanking his dedicated team of Committee Members , Sub-Committee Members, Head Office, Homes and Hospice Staff and volunteers for their time and effort .

The President then called for the adoption of the Annual Report and Audited Accounts for the year ended 31st March 2018. These were adopted, proposed by Mr. K.B. Ambanpola and seconded by Mr. Srinath Abeysinghe.

The President thanked the Chief Guest Dr. Palitha Abeykoon for his presence and invited him to address the gathering.

Dr. Abeykoon said it was a privilege to be the Chief Guest at the Annual General Meeting of this "very very prestigious and honorable Association" and thanked the Society for inviting him. He commended the Society and its members for its selfless and single-minded dedication and service over a period of 70 years. Cancer is becoming one of the largest causes of death and a phenomenon that is set to accelerate in the future. Spreading awareness, helping control and cure, as the Society is doing, are steps in the right direction he said.

Established in 2007, The National Authority on Tobacco and Alcohol, of which he is the Chairman, oversees policy, practices and enforcement of the Laws relating to Tobacco and Alcohol, he explained. He discussed some of the regulations regarding Tobacco and related issues and the lack of regulations with regard to Alcohol and its consequences. He commented that Tobacco is the "biggest single killer" in the world. He said Sri Lanka has done well in comparison to other countries in the region with only 14% of the adult population smoking. In fact Females account for only around 2% making smoking a predominantly male phenomenon he added.

He spoke about the banning of advertising and the difficulties of controlling advertising on social media using the example of electronic cigarettes. He explained that the Clean Air Laws were in the process of being amended so as to rectify the lacuna in the law and redefine what is called a 'closed space'. A law to prevent sale of Tobacco within 100 meters of schools is also in place, though there are difficulties in implementing he said. Sri Lanka is one of very few countries in the world that permits the sale of single cigarettes. He spelled out the attempts being made to ban it and the reasons for doing so. He pointed out that studies and research show that social and economic costs of Tobacco are far in excess of the revenue the Government gets from Cigarette Taxes. He illustrated this point in detail giving examples. He said that it was a similar situation in the case of alcohol. He made the added point that income from Taxes was immediate revenue for the Government making it desirable whilst the problems from Alcohol and Tobacco were spread over time and therefore not treated significantly enough.

He spoke of the serious issue concerning "smokeless Tobacco" which included among many others, the common "bulathvita". Sri Lanka is the only country in the world where Oral Cancer is the leading Cancer among Males. He outlined measures taken to ban betel and the problems faced due to the cultural habits involving betel.

He explained that policy formulation and implementing laws had obstacles and political implications. It was his view that Narcotics, Tobacco and Alcohol are a triad that go together. Tobacco and Alcohol are most often "gateway products" for the use of Narcotics. Thus it is not enough to try and quell Narcotics - all three need to be addressed simultaneously, he stressed.

He pledged the support of the National Authority on Tobacco and Alcohol to the Society and wished the Sri Lanka Cancer Society all the very best in its endeavours.

The Chairman next invited Ms. Premila Perera to the Head Table.

He also recognised the following persons:

Mr. Nihal Rodrigo for his much appreciated daily supervision, Mrs. Indrani Nanayakkara who diligently attends to the stock control of "Op-Shop". Mrs. Thambyah for her dedicated service over so many years, Mr. Tony Anghie for always being available to the Society and his ready help.

The next item on the Agenda was the presentation of Certificate of Appreciation. These were presented to the following by Dr. Palitha Abeykoon.

Dr. Palitha Abeykoon, Chairman, National Authority on Tobacco & Alcohol, was the Chief Guest at the 71st Annual General Meeting of the Sri Lanka Cancer Society held on February 28, 2019. Picture shows - Chief Guest, Mr. L.D.A. Jayasinghe, Chairman and Mr. A.J.B. Anghie, President of the Society at the Main Table.

REPORT OF THE CHAIRPERSON EXECUTIVE COMMITTEE

Another Milestone, the 72nd year has been reached in the Society's journey of service and it is my privilege and humble duty to present this Report.

The Society's "Mission" on this journey is two fold, firstly the provision of care and solace to needy Cancer patients and secondly and as importantly working towards increasing awareness of Cancer.

The operation and maintenance of the Shantha Sevana Hospice for terminally ill Cancer patients, the Bandaranaike Memorial Cancer Homes for transit patients receiving treatment at the Apeksha Hospital and the provision of Relief and Rehabilitation to patients discharged from Hospital but in need of support and hope to resume their day to day lives , are the activities in the sphere of solace and care. Whilst these activities are carried out under the purview of separate select Committees namely, Hospice, Homes and Relief and Rehabilitation, work in the arena of public awareness is spearheaded by the Public Education Committee.

Reports from each of the Committees are published elsewhere in this report. It is incumbent on me however to make mention of the following;

Shantha Sevana Hospice

Established in 1996, the first "Hospice" care facility in Sri Lanka and thanks to the unstinted generosity of Mr. Sohli Captain, who has also continued to provide an Annual donation to maintain this pristine facility.

Under the able and committed guidance of the Chairperson, Mrs. Ajantha Wickramasuriya, the Hospice Committee oversees the operation and maintenance of this 32 bed "rest home" offering free palliative care and moreover bringing a ray of hope, through compassionate loving care to those terminally ill Cancer patients.

Cancer Homes

The "Cancer Homes" continues to provide a "*Transit home*" and care facilities to needy Cancer patients seeking Chemotherapy, Radiotherapy and Haematology treatment at the National Cancer Institute i.e. the " Apeksha Hospital " at Maharagama.

A significant achievement during the year which merits mention is the renovation and refurbishment of the Karl Bevan Ward. This Ward had been released for the use of the Apeksha Hospital a few years back and returned to the Society after a lapse of approximately five years but unfortunately in a condition unfit to house patients. The members of the Homes Committee led by its Chairperson Mrs. Indira Kulatilake, undertook this project and thanks to their untiring efforts the entire renovation and refurbishment was carried out by donors and completed in July 2019 at an estimated value of Rs. 5.8 Mn. The capacity at the Homes has thus increased to 83 beds from the previous 50 .

Relief & Rehabilitation

A Committee which was led by the Late Mrs. T. Ambanpola, continued to facilitate the provision of a life line to 125 needy Cancer patients released from Hospital but without the basic wherewithal to resume and continue their day to day lives.

Monetary assistance is also offered to poor patients to enable them to purchase vital drugs and efforts also made to encourage and help patients to be self-sufficient and strive to have a means of livelihood.

It is indeed with a great sense of sadness that I record the passing of Mrs. Ambanpola, the Committee's enthusiastic Chairperson who was also a Member of the Executive Committee.

Public Education

The public interface of the Society so to speak, is spearheaded by the Public Education Committee, under the able Leadership of Mrs. Indrani Nanayakkara and supported by our Public Education Officer Mr. Jayaratne, who has rendered yeoman service over the years. The focus of the Committee is to educate and create awareness, amongst the community on prevention, early detection and treatment, so very fundamental and important in the battle against Cancer.

The monthly free Poly Clinic for women facilitated by this Committee at the Society Headquarters merits special mention and request for wider publicity and support from the medical community.

Finance

Having dealt with the various Committees tasked with the oversight of the activities of the Society I would be failing in my duty if I do not record my appreciation to the **Finance Committee** led by its Chairman Mr. Nihal Rodrigo and our Treasurer, Ms. Anoja Karunaratne who have taken care of the financial infrastructure of the Society and lent their time unstintingly in carrying out their duties.

Branch Societies

The work and mission of the Society outside Colombo is carried out by autonomous Branch societies, the management, administration and finances of such Branch Societies falling entirely under the purview of the Executive Committee of the relevant Branch Society. Annual reports for the year 2018/19 of the Kandy, Moratuwa, Galle and Batticaloa Branches are reproduced separately in this publication .

The Kandy Branch merits special mention in appreciation of its commitment to be compliant with norms of governance desired of a voluntary Organization, which is a recipient and custodian of donor funds by ensuring the Audit of its Annual financial statements by a recognized firm of Chartered Accountants.

Our appreciation

To Mr. Sohli Captain, the largest single donor Partner of our Society, for his continuing steadfast sponsorship of the Hospice with once again a donation of Rs. 15 Mn. to meet its operational costs.

To the following generous donors; David Pieris & Company, D.S. Jayasundera Trust, Mrs. Jennifer Kelaart, Mrs. L.B.S. Rajapakse Trust, Maharaja Organization, MAS Intimates, Ministry of Health. Mrs. Preethi Jayaratne, Mrs. Prisca Fernando and Mr. Tennyson Rodrigo.

To all other donors be it in money, kind or time who we are unable to mention individually.

To Mr. Hemaka Amarasuriya for his unstinted time and commitment as the Chief Organizer of our Annual Fund Raiser which gave us Rs. 7.2 Mn

To Ms Perin Captain, Mentor and guide of the Society for decades who is the epitome of selfless service,

To the Health Ministry officers, Apeksha Hospital Director, Consultants and all Staff

To Mr. Nithi Murugesu, our Honorary Legal Advisor

To KPMG, Chartered Accountants our Honorary Auditors.

To my Co-members of the Executive Committee, Select Committees, Head Office Administrative Staff, Nursing and Administrative Staff at the Hospice and Homes and all volunteers for their dedicated service

In Conclusion

The financial statements before you evinces a deficit of Rs 6.9Mn for the year under review, largely due to the fair value adjustment on investments in listed shares.

It is also indeed evident therefrom that the Society relies by and large on the generosity of its donors for its funding requirements and to a limited, lesser degree on income from investments. In the year under review it was the generosity of our donors which saw us through.

Currently however it is grappling with the growing concern of an increased deficit in funding, in the light of pressures on costs, especially the inevitable cost escalations stemming from the expansion of capacity at the Cancer Homes, together with the prevalent downward trend in interest rates.

We thus continue to seek the support and encouragement of the State and Community to meet our challenges and deliver on our mission of care.

May I conclude with these words expressed by one of the most compassionate leaders of this Century, that they may inspire you to support us, as we commence a new decade and face fresh challenges, so that together we may bring a ray of hope and happiness to those stricken with Cancer.

*"Living for others is a rule of nature
We are all born to help each other,
No matter how difficult it is
Life is good when you are happy,
But much better when others are happy - because of YOU !"*

It is with great satisfaction that I wish to present the important features in the Financial Statements along with the Audit Report.

We focused to obtain Donor funds on special projects to overcome difficult conditions, and were appreciably rewarded. We have been able to increase the quantum by Rs.11.1 Mn as compared to last year. The Annual Fund Raising event organized by Mr. Hemaka Amarasuriya of Rs.7.2 Mn and donations received of Rs.4.7 Mn for the refurbishment of the Karl Bevan Ward substantially contributed to this increase. Additionally other significant contributions were made by Mr. Tennyson Rodrigo (Rs.2 Mn), Mrs. L.B.S Rajapakse Trust (Rs.5 Mn), D. S. Jayasundera Trust (Rs.1.9 Mn), David Pieris & Company (Rs.0.5 Mn) Mrs. J R Kelaart (Rs.0.9 Mn), Maharaja Organization (Rs.0.5 Mn), Mrs. P. Jayaratne (Rs.0.75 Mn) Mrs. P. Fernando (Rs.1.0 Mn) MAS Intimates (Rs.0.3 Mn) for which we are very grateful.

We wish to place on record the regular magnanimous donation received from Mr. Sohli Captain (Rs.15.0 Mn) and the Government Grant from the Ministry of Health (Rs.2 Mn)

The deficit for the year of Rs.6.8 Million as opposed to Rs.2.8 Million recorded last year does not reflect the wholesome picture of the Society's operations. The fall in the market value of Rs.8.9 million on quoted Shares held by the Society contributed to this bleak outlook.

You would note the Society has been able to contain the operational expenditure with only 9% increase when compared to last year. We have not only been able to successfully avoid a deterioration of Current Assets but able to enhance the cash and cash equivalents by 6.8 million. These achievements have only been possible due to the generous donors some of whom have been specially mentioned in the Chairman's and other Sub Committees' Reports.

Thankfully we are able to continue this year with our trusted donors and well-wishers along with the Finance Committee to whom I am deeply thankful.

Sri Lanka Cancer Society Home was established in 1962.

Our main objective is to provide Care and Nursing for Cancer patients who cannot attend their Radiotherapy, Chemotherapy and Hematology Clinics daily at the Apeksha Hospital.

We provide accommodation and all four meals free of charge for all the patients who are transferred to our Wards. Also our Attendants accompany the Patients for their relevant Clinics at the Apeksha Hospital.

Commenced the renovation work of the Karl Bevan Ward at the Cancer Society Homes which costs about Rupees Five Million. The total cost was borne by Mr. H N E Soysa in memory of his Parents. At the completion it could accommodate 30 beds and 3 rooms for Female patients.

We organize religious programmes for all denominations as per the request of the Patients or their family members. Vesak Poya and Poson Poya were observed with Dharmadeshana and Pirith chanting for patients and decorating the Homes with Lanterns with the participation of Staff and inmates.

Sinhala and Tamil New year was celebrated by distributing gifts among the Patients and Tea and Lunch hosted by the Committee for the staff.

A basic meditation programme for patients conducted by Ven. Sacramento Upatissa Thero who is from USA coordinated by Ms. Anushka Yatawara.

The Cancer Society Home has well trained Nursing staff with experience in Nursing and Caring of Cancer patients.

We cared for the Patients stricken with various types of Cancer during the year under review.

Breast	- 61	Oral Cavity	- 258
Brain	- 29	Respiratory System	- 40
Thyroid	- 12	Female Reproductive System	- 54

Christmas was celebrated with a Musical event conducted by the Scouts of 65th Colombo Scout troop (open) under the patronage of Mrs. M S Nazeela.

Another Musical programme was organized by Mrs. Rupika Wijenayake, who was treated at the Homes a few years back. She also distributed gifts to the Staff as an appreciation of their service.

We thank and appreciate all our Donors who support us by donations in Cash and Kind for this worthy cause.

In conclusion I take this opportunity to thank the Executive Committee for their valuable advice and support.

My grateful thanks go out to the Secretary, Matron, Nurses, the House Keeper and all the employees for their dedication and hard work.

The Sri Lanka Cancer Society through its Homes will continue to do its share of work in the alleviation of Cancer sufferers, and it is hoped that the help the Society needs to fulfill this objective will be given ungrudgingly by the Public in the years to come.

PUBLIC EDUCATION COMMITTEE

Mrs. Indrani Nanayakkara - Chairperson

Mr. Srinath Abeysinghe
Mr. Q. C. Fernando
Mrs. Nedra Hewavitharana
Mr. L. D. A Jayasinghe

Mr. Ananda Kannangara
Mrs. Anoja Karunaratne
Mrs. Merle Weerasinghe
Mr. H. Weerawarne

The Public Education Committee, a Sub-Committee of the Sri Lanka Cancer Society, is a visionary concept envisaged by the Society far back in the late 1940's, to launch an attack on Cancer. This is a far seen wisdom in the fight against Cancer.

The Public Education Committee's influence on the Community in creating awareness and educating the people on prevention and early detection is a colossal force in the battle against Cancer. This is evident from the feedback the Committee receives from various quarters of Society in the Country.

The Seminars conducted by the Committee has resulted in dispelling the myths regarding the disease and develop a positive approach towards it. The knowledge they gain on precautions and treatment seems to have brought transformation in the attitudes of the people. We are focused on generating knowledge to improve Public Health. The main cause of Cancer is ignorance. Many feel that it is a social stigma. Some think that the disease is contagious.

We have been able to convince the participants at Seminars that: -

- (1) Cancer is a Non-Communicable Disease (NCD) like diabetes, Cardio Vascular Disease, Strokes and Mental Illness.
- (2) They need not fear Cancer. One in three Cancers is curable.
- (3) With early detection and prompt professional Medical treatment, most Cancers could be cured.
- (4) Cancer could be prevented, with change in life styles and becoming knowledgeable about Cancer, quitting smoking (80% of Lung Cancer due to smoking) stopping betel chewing, the importance of the diet and a strong immune system, exercise and being stress free.

Human brain is malleable and could be changed like a ball of play-doh with time and effort and with constant reminding. Lasting change to the brain is there throughout a person's changing skill and can become more emotionally intelligent and resilient. It is in this light that the Public Education Committee has been able to do remarkably well.

Our aim is to make Cancer merge into the full glare of public scrutiny. For this we need a larger drive and a larger platform. We are fully aware that a well-informed individual can identify the potential dangers leading to the disease, detect the early warning signs and treat the ailment before it becomes fatal.

Still a perfect therapy for Cancer has not been found. Hence the importance of prevention. Prevention is better than a cure. With our Seminars conducted near and far by our indefatigable Public Education Officer, Mr. D. W. S. Jayaratne we are striving hard to further achieve our objectives. We appreciate his commitment and dedication very much.

His work involves educating the Public about the risk factors, how to identify the risk factors, early detection and its impact, causes of Cancer, body changes, diet, exercise, self-examination, screening etc., The use of power points, Docudramas, slides and distribution of booklets, leaflets, bookmarks have made the Seminars meaningful and fruitful.

The programmes he has covered in the calendar year 2018 - 2019

- 1) Number of programmes - 175
- 2) Number of participants - 19247

OP SHOP

Established the OP Shop (Opportunity Shop) to supplement the ever-dwindling funds, on the massive amount of work the Cancer Society undertakes for the welfare of Cancer Patients. In addition to generating funds for various activities, this shop is used as a forum for Cancer awareness and education of the Public. The customers are enlightened about Cancer by distributing booklets, leaflets and dialogue. Then those who desire are screened for Blood Sugar, Blood Pressure, and BMI (Body Mass Index). The equipment is supplied by NCD Alliance.

The Committee meets every last Wednesday of the month.
The work carried out by Mr. Jayaratne is reviewed and the advance programme for the ensuing month is tabled and discussed.

I deeply appreciate the support given by the Public Education Committee, the Executive Committee of the Cancer Society, the Office Staff and the Minor staff of the Society. I extend my gratitude to the Doctors of the Cancer Control Unit at Elvitigala Mawatha, Colombo for participating in our Seminars, and making the Seminars fruitful and worthwhile and the Media personnel who cover our work.

I thank Mr. Ananda Kannangara of the Daily News, Ms. Kamanthi of the Daily Mirror, Ms. Inoka Perera of Silumina, Ms. Pushpa Rowell of Dinamina - Ms. Ruwanthi Abeysinghe of Daily News for the publicity they give us in their respective Papers. I wish to thank ITN for giving us their air times. I wish to thank Ms. Eranthi Premaratne and Ms. Eranga of the Old Girls Association of Visakha Vidyalaya for helping us by allocating a stall at their Avurudu Pola at Visakha Vidyalaya free of charge. Thank you Eranga and Eranthi. We look forward to working with you again. I thank Dr. Mahesh Rajasuriya for his willingness to support us. Above all my deepest gratitude goes to Ms. Perin Captain and Mr. Asoka Jayasinghe for their solidarity towards us. I cannot forget Mr. Nihal Rodrigo who always encourages us with his wit and appreciation.

My message to you is that research done indicates that Cancer really doesn't have to be scary and dreaded anymore. Cancer could be prevented with knowledge and cured with early detection.

Suffering can only be eradicated by self-effort. The brief moment of happiness comes to an end with the onset of sickness, old age and death.

Be strong. Do not let Cancer beat you.

It is with great pride that the Sri Lanka Cancer Society, Moratuwa Branch presents its 70th Annual Report for the year 2018/2019. The Moratuwa Branch inaugurated in 1948 has shown a steady progress in achieving its objectives during the past 71 years. The Executive Committee under the guidance of the President has worked with commitment during the past year, to improve the quality of life and alleviate the mental and physical suffering of the Cancer afflicted patients and their loved ones.

ANNUAL GENERAL MEETING

The AGM of the Moratuwa Branch was held on 28th October 2018, at No. 4, Mendis Avenue, Moratuwa. The office Bearers and the Executive Committee were elected for the year 2018/2019.

COMMITTEE MEETINGS

During the period under review Eight Committee Meetings were held and the Minutes and Monthly statements of Account were read and approved by the Executive Committee prior to submission to the Parent body. At these monthly Meetings proposals and suggestions are discussed and approved for implementation.

To provide a better service for the patients, the following Sub-committees were formed and their progress reviewed monthly.

COMMITTEE ON WELFARE OF PATIENTS

At present there are Fifty-Five Registered patients, for whom monthly payments and additional relief payments are made. Regular visits are made to look into their welfare and on recommendation of the members concerned and after the approval of the Committee, additional assistance is provided to the neediest patients for Nourishment, Special investigations, Essential drugs and assistance for their children etc.,

ADOPT -A- PATIENT COMMITTEE

The above scheme is arranged to support the extremely poor and under privileged Cancer afflicted patients in Moratuwa. A Sponsor adopts a patient by paying Rs. 1,300/= monthly or Rs. 15,600/= annually.

A Data-Base was arranged with relevant details of Patients and their Care givers, on visiting the patients. Request letters for Sponsorship are sent to many for which there is a good response and this year Twenty patients are being Sponsored. Some Sponsors go to the extent of helping the patient and their loved ones personally, in addition to the Sponsorship.

TILLS COMMITTEE

There is a good response from the public for the Society's collection Tills placed at Banks and reputed Commercial establishments. There is a substantial **collection monthly from Tills placed at five locations.**

SWARNAMALEE FERNANDO MEMORIAL TRUST FUND

Mr. Oliver Fernando together with his family members established this Trust Fund with an initial deposit of 5 Million, to help Cancer patients registered with the Sri Lanka Cancer Society, Moratuwa Branch.

At present financial support is provided to patients for Special investigations and Medical Tests that have to be done outside the hospital.

CHRISTMAS PARTY ORGANIZING COMMITTEE

The much-awaited event of the year, the Christmas Party was held on 29th November 2018 at the Parish Hall of Holy Emmanuel Church.

Each patient received a item of clothing-women received 2 ½ yds material, men-a T-Shirt, Trouser or Sarong. Children too received clothing.

In addition Two hand towels were given to each patient, Costume Jewellery, packs of Pencils, Bath towels and Umbrellas received were distributed accordingly . Each patient also received a large Pack of dry rations from Expo 80 and Rs. 3,000/= as a special gift.

Refreshment packs were given to every patient and their family, containing many food items provided by individuals and also KFC, Russells, Munchee, Elephant House.

Entertainment was provided with a Band by Nihal Fernando in attendance and singing by, Lankika, Erangen and Virangen.

Several Competitions were held for children and adults and all enjoyed Musical Chairs, Singing and specially Baila dancing. The winners were awarded prizes and all participants specially children were given gifts.

The Committee enthusiastically collected all gift items and a collection of Rs,445,200/= towards the Christmas Party, to ensure a memorable evening for the patients and their loved ones.

FUND RAISER

A major Fund Raiser - "Singing for Cancer" - a - Sing - Along to celebrates the 70th year of the Moratuwa Branch was planned for end of June 2019. All initial work was done, but due to the unfortunate Easter Sunday attack the Committee decided to postpone the event.

A sale of nearly - new clothes/Items and dry rations is planned for October.

MEMBERSHIP DRIVE

A special effort is made by the Committee members to enrol resourceful members to the Society. This year Three members were enrolled.

FINANCE AND ACTIVITY REPORTS

All monthly statements of Account, the Annual audited Statement of Accounts and Activity Reports have been submitted to the Parent body regularly.

REMEMBRANCE

We remember with gratitude, all the past Office Bearers, the Executive Committee members and members of the Sri Lanka Cancer Society, Moratuwa Branch who have passed away after serving our Society.

ACKNOWLEDGEMENTS

- We extend our sincere gratitude to the generous Donors/Sponsors for their generosity and the Corporate Sector for their magnanimity.
- We are grateful to the Parent Body for the Annual grant of Rs. 50,000/=
- Our heartfelt thanks to Ms. Perin Captain, the representative of the Parent body for her invaluable guidance and support extended at all times.
- Moratuwa Branch is deeply indebted to Ms. Chitra Peiris, Past President for allowing as to hold our Monthly Meeting and activities of the Society at her residence.
- Finally, to the dedicated Committee for their unwavering commitment, support and assistance in the cause of Cancer.

It gives me immense pleasure to submit the Annual Report for the year 2018/2019. As in the past, the year under review recorded an increase in patients intake, bringing with it an additional financial burden. Also, the staff is required to serve a larger number of patients. The redeeming feature is the unwavering support we receive from the Community without which it will be a daunting task for us.

EXECUTIVE COMMITTEE

The President Mrs. Marina Tennekoon has contributed greatly during the year under review. This, in spite of her duties to look after her husband who has been unwell over the past couple of years. She held her position as President with a high sense of responsibility. Executive Committee Meetings are conducted on the last Friday of every month. We wish to thank the members for their regular visits to the Cancer Home at their own expenses attending the Exco meetings and contributing in no small measure to the efficient management of the Society. A special thank you is extended to Mr. P B Ekanayake, Vice President, for visiting the Cancer Home and checking and supervising the maintenance of the Buildings.

LADIES COMMITTEE

Headed by Ms. Mirani Liyanage the senior most member of the Society , the Ladies Committee looks into the unenviable task of running the day to day activities of the Cancer Home. The Committee is responsible for the allocation of rations, stock maintenance, quality of the meals served to the inmates and the cleanliness of the Home.

They are responsible in organizing the Annual Religious/Cultural festivals which the inmates look forward to and give them an opportunity to relax. In addition they are given gifts which they appreciate very much.

These events are meticulously planned with care and dedication which has resulted in making the Society proud and respected for the concern shown, towards the wellbeing of the patients. The Ladies Committee deserves a big "Thank You". Special mention must be made of Mrs.Nilmani Wijegunawardane for sponsoring the Annual Christmas party for over two decades. She organizes it by herself and bears the entire cost of the party, including gifts to inmates and staff. The Tamil Traders' Association needs mention for sponsoring the Annual 'Thai Pongal' celebrations for the past ten years. Mrs. Sumathy Gunasekaran and Mrs. Thayalam Varugunam are thanked for this colourful event.

COUNSELLORS

The Volunteer Cancer Counselling service was started by Mrs. Erica Weerekoon as far back as the year 2000. After she left the Island, it was ably run by the late Dr.Wimala Samarasinghe until she passed away in the year 2017. Both these ladies who spent their time so willingly deserve our appreciation. The Volunteer Counsellors themselves deserve our sincere thanks for being there with the patients and alleviating the patients' anxieties. The service is now under the able and dedicated guidance of Mrs.Thayalam Varugunam and Mrs.Marina Tennekoon.

CANCER AWARENESS

Over the years we found making awareness of Cancer is of paramount importance, if we were to stem the spread of Cancer. With this in mind, we conduct Cancer Awareness Programmes in our Auditorium for school children, Government and Corporate sector employees, Urban, Rural and Plantation areas. After we received a gift of a vehicle, this service was extended to the outer Districts as well. They are conducted in School halls and more often in Religious places.

The feedback we receive from the Community is indeed encouraging as they are keen to learn of good health, habits and maintain a healthy life style. We do appreciate the services rendered by Doctors Susil Siriwardane, Gamini Dissanayake, Chandra Goonathilake, Maithree Rajapakshe, Shanthi Rajapakshe and Yoga Anthony. At this stage we remember with gratitude the yeomen service rendered by the late Prof. Malkanthi Chandrasekara.

FOSTER PARENT SCHEME

This is yet another unique service initiated by our Society and is handled by Ms. Kusum Rajapakse and Ms. Sujani Yakandawala. The children afflicted with Cancer assemble at our Home on a Friday with their respective Parents. Once their needs are carefully assessed by the counselors we provide them with Milk foods (dry rations), if necessary, clothing and cash for transport. This, to some extent eases their financial burden as we find that some patients do not attend clinics due to lack of travelling expenses to Maharagama Hospital.

We launched a Children's Education Programme which is managed by both Mr. Asoka Palamakumbura and Ms. Sujani Yakandawela. If either Parent is undergoing treatment for Cancer/ Kidney failure and children are in school, they are matched with well-wishers who provide monetary support for their education. Having started a year ago, it has now sixty-two students on roll. Each child is given cash assistance of Rs.2500/- per month and University Students Rs.5000/=. Computers are given to students who have excelled in their studies.

It is appreciated if you take our message to the Community and assist more children in their education.

DRUG FUND

This fund was started a decade ago at the request of the Oncologists at that time. The purpose being to buy urgent and expensive Cancer drugs which are out of stock at the hospital. The doctor sends us the request through the Patient and the Society buys the drugs for them. If you wish, you may please contribute towards this worthy cause.

HOME VISITS

Our inability to follow up on the condition of our Patients after their discharge from the Cancer Home and the Cancer Wards has been our concern for some time. This Project is being chaired by Ms. Thayalam Varagunam, Ms. Doreen Buksh and Ms. Marina Tennekoon. On these visits they check on their living conditions, user friendly toilets, wheelchairs and walkers if necessary (on the approval of the Doctors) and attend to the needs with the availability of funds. The patients do appreciate these visits especially with Dr. Siriwardane in attendance. On our visits a bag of dry rations and clothing are offered to the patients. These visits are scheduled for the second Thursday and fourth Thursday of every month.

NEWSLETTER

We publish and circulate a bi-annual Newsletter. It includes information of the activities carried out by the Society.

Finally we thank all who serve on respective Committees in a voluntary capacity. A special 'thank you' goes to Admin Secretary Mr. Gamini Abeyratne, Matron Ms. D. M. Dassanayake Menike, Sister Priyanthi Ramyalatha and all staff members comprising Nurses, Attendants, the ever green Mallika from the kitchen staff.

Ms. Wathsala Rajapakse who was a staff member left us to join the Education Department. The vacancy was filled by Ms. T.A. Hansamali.

I wish to conclude by conveying my appreciation to all those who rendered their fullest co-operation in all activities during the year.

Galle Branch of the Sri Lanka Cancer Society was established in 1973, convened by the Great Philanthropist of Galle B. R. Dissanayake. It has provided a commendable service towards the welfare of the Cancer patients in Southern Sri Lanka throughout 45 years. Mr. Dissanayake took a major step to widen its services further by constructing a Cancer Hospital at Karapitiya in memory of his beloved wife naming the building as 'Kathleen Dissanayake Memorial Hospital' which was declared opened on 25th July 1980. Patients were able to receive treatment at Karapitiya Hospital and there was no need to refer patients to Maharagama since residential and clinical facilities were provided at Karapitiya. At a later stage he came forward again to sponsor a building to install the 'Cobalt' machine to provide treatment in the X-Ray unit and also an Operating Theatre too at the premises on a request made by the Surgeons. It helped immensely to perform minor surgical operations at the same premises without sending the patients to Mahamodera Hospital.

We appreciate very much the valuable co-operation extended by the Director, Doctors and the Nursing staff of Karapitiya Hospital helping us to render the services smoothly from the Society office located within the Hospital premises without any hindrance.

Twelve Sub Committees render their services satisfactorily under different category.

1. Provide lunch for residential Patients daily
2. Provide Breakfast and Dinner for residential patients daily
3. Provide nutrition aid -Rs. 2000/= each for the child patients under 20 years
4. Provide Milk Tea for residential patients daily
5. Educational programs- Cancer awareness programs for school children
6. Educational programs - Cancer Awareness programs- General public
7. Provide essential requirements for the Hospital and Office
8. Finance and Collecting funds- Annual Flag day to be utilized for medicine requirements
9. Women's Affairs- finds sponsors and collect donations in kind for welfare of the patients, medicine etc,
10. Maintenance of the Society office in good condition.
11. Religious activities-Chanting Monthly Seth Pirith, organizings Sermons and providing Mental Therapy for the patients
12. Organizing to build 'Transit Home' - A land had been donated for the purpose -planning to start construction once the transaction regarding the land is legally finalised.

This Report contains the major events of the Cancer Society, Batticaloa Branch from April 2018 to March 2019.

OFFICE BEARERS:

At the Annual General Meeting held on 16.12.2018 the key Office bearers were unanimously re-elected. Accordingly, Dr. N. Saylolibavan, Dr K E Karunakaran and Mr. P. Muthulingam were re-elected as President, Secretary and Treasurer respectively.

ASSISTANCE TO CANCER PATIENTS

We continued to carry out this Project. An average of 30 patients (Children) received monetary assistance every month to attend the Cancer Clinic and care at Apeksha Hospital Maharagama.

CANCER AWARENESS PROGRAMME

Two programmes were conducted. The first programme was organized in collaboration with MOH Chenkaladi on 14th July 2018 at Vigneswara Vidyalaya, Kaluwenkerni. Dr Karunakaran consultant Obstetrician and Gynaecologist and Dr. Sayalolibavan Senior Dental Surgeon were the Resource persons. About 75 persons, both males and females attended. Young females preferred to learn Breast self-examination. Second programme was organized with the assistance of Faculty of Health- Care Science, Eastern University, Sri Lanka on 28.01.2019. Students of the said Faculty took the active role and conducted the Breast Cancer awareness programme among the students of other faculties of Arts, Science and Agriculture in three locations in the main Campus of the University. About Two Hundred students participated. Dr Arulananda coordinated the program along with Secretary Dr. Karunakaran.

ASSISTANCE TO ONCOLOGY CLINIC AT TEACHING HOSPITAL BATTICALOA:

We continued to provide assistance to the outpatient Oncology clinic, Teaching Hospital, Batticaloa

- Patients attending the clinic preferred to be provided with Milk Tea and Biscuits. The project has been ongoing as preferred with the monetary and other assistance by the Members.

We also monitor the progress of the development of Cancer units at the Teaching Hospital Batticaloa.

Signature Program: A Cancer awareness book written in Tamil by Dr. Jayakumaran, Consultant Oncologist, was launched on 23.09.2018 in Batticaloa and in October 2018 in Trincomalee. About 100 copies of the book had so far been distributed to the people. Societies and Clubs took interest in the distribution among the public so were the Doctors working in the Oncology unit. Through a generous donation and the enthusiasm of Dr. Yogakanthi, a Sri Lankan born Medical Doctor residing in Australia took the initiative and participation in the book printing and release.

T Shirts: Members preferred to have T Shirt on the Society to be worn in the Cancer Society programs. Accordingly, fifty (50) T Shirts of different sizes were ordered for Sale among members.

Visit of Dr. Simon Sutcliffe: Dr. Sutcliffe, a Cancer specialist in Palliative Care visited Batticaloa in collaboration with our Branch on 7th February 2019, and held discussions with key Healthcare and Cancer care officials in Batticaloa. The focus was on setting up Palliation Care facilities and a trained team in Batticaloa. Dr. Iqbal, Consultant Oncologist, Teaching Hospital, Batticaloa and Health administrators of the Districts took part and decided to continue the Dialog on the palliation aspect.

FUND RAISING:

- Till collection: Tills were placed in Business Establishment and Banks.
- We acknowledge the grant of Rs.40,000/= by the Parent body.
- Members contribute to the project of supplying Milk Tea and Biscuits to Cancer Clinic patients at Teaching Hospital, Batticaloa.
- We acknowledge the contribution made by "Cancer Aid North - East" from UK and Friends of Batticaloa Teaching Hospital, UK.
- Donation by Sai group Townsville, Australia.
- Donations by individuals.

MEETINGS:

- Eleven monthly Committee Meetings were held at the Rotary Centre Batticaloa. We express our gratitude to President and members of Rotary Club, Batticaloa for providing a venue for the meeting.
- The Annual General Meeting was held on 16th December 2018, Key Office Bearers and the Executive Committee were elected unanimously. A Luncheon gathering also took place

I take this opportunity to thank our Parent body for continuous support of our activities Dr. N. Sayalolibavan current President for the leadership and involvement. I also extend the best wishes to all the members and benefactors for the contributions made to our Society.

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF THE SRI LANKA CANCER SOCIETY – PARENT SOCIETY

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of The Sri Lanka Cancer Society – Parent Society (“the Society”), which comprise the statement of financial position as at 31 March 2019, and the statement of income and expenditure, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Society as at 31 March 2019, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standard for Small and Medium-sized Entities (SLFRS for SME).

Basis for Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics) and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Executive Committee is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Responsibilities of Executive Committee and Those Charged with Governance for the Financial Statements

INDEPENDENT AUDITOR'S REPORT (Continued)

Executive Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with SLFRS for SMEs, and for such internal control as Executive Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Executive Committee is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Executive Committee either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at Sri Lanka Accounting and Auditing Standards website at: <http://slaasc.com/auditing/auditorsresponsibility.php>. This description forms part of our auditor's report.

*Life is never empty when there's someone needing you,
 Life is never futile while there's something you can do,
 Something you can do to help or something you can say
 To lighten someone's burden or to brighten someone's day
 The world is full of people – there is much for which to live,
 Someone needs you – some wants the things that you can give.*

THE SRI LANKA CANCER SOCIETY - PARENT SOCIETY

STATEMENT OF CASH FLOWS

For the year ended 31 March 2019

1. ACCOUNTING POLICIES

1.1 Reporting entity

The Sri Lanka Cancer Society – Parent Society (“the Society”) is the parent of the Sri Lanka Cancer Society which is incorporated and domiciled in Sri Lanka in terms of the Sri Lanka Cancer Society (Incorporation) Act No: 10 of 1997.

The activities of “the Society” are carried out with a view to achieving the objects as defined at section 3 of the aforesaid Act and principally focussed on the provision of relief, care and comfort to needy cancer patients and to create awareness amongst the Sri Lankan public on the prevention and treatment of cancer.

Whilst “the Society” encourages the establishment of branches outside Colombo, the management and administration of such branch societies fall within the purview of the Executive Committee of the relevant branch society.

The registered office of “the Society” and the principal place of service is situated at 37/25, Bullers Lane, Colombo 7

1. Basis of preparation

(a) Statement of compliance

The financial statements of the Society comprise the statement of financial position as at 31 March 2019, statement of income and expenditure, statement of changes in accumulated funds, statement of cash flow and notes to the financial statements. These financial statements have been prepared in accordance with Sri Lanka Accounting Standard for Small and Medium Sized Entities (SLFRS for SMEs) Basis of measurement

The financial statements have been prepared on the historical cost basis. No adjustments have been made for inflationary factors in the financial statements.

(b) Functional and presentation currency

These financial statements are presented in Sri Lankan Rupees, which is the Society’s functional currency.

(c) Use of estimates and judgments

The preparation of financial statements in conformity with Sri Lanka Accounting Standards for Small and Medium Sized Entities (SLFRS for SMEs) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgment about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are

THE SRI LANKA CANCER SOCIETY - PARENT SOCIETY

STATEMENT OF CASH FLOWS

For the year ended 31 March 2019

recognized in the period in which the estimates are revised if the revision affects only the financial year or in the period of the revision and future periods if the revision affects both current and future financial years.

1.3 SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

(a) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset and bringing the assets to its working condition.

Gains/losses on disposal of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognised net within “other operating income” in the statement of comprehensive income and retained earnings.

(ii) Depreciation

Depreciation is recognised in the statement of income and expenditure on a straight-line basis over the estimated useful lives of the asset.

The estimated useful lives of assets for the current and comparative periods are as follows:

	Years
Buildings	40
Others	10

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

(b) Investments

Long term investments made in share which are publicly traded are fair valued as at the reporting date.

Short term investments in Repo and Fixed deposits are valued at amortized cost.

(c) Other receivables

Other receivables are carried at anticipated realizable value. An estimate is made for bad and doubtful receivables based on a review of all outstanding amounts at the year end.

(d) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, deposits held at call with bank, and investments in money market instruments with a maturity period less than 3 months.

THE SRI LANKA CANCER SOCIETY - PARENT SOCIETY

STATEMENT OF CASH FLOWS

For the year ended 31 March 2019

(e) Liabilities and provisions

Liabilities are recognized in the statement of financial position when there is a present obligation as a result of past events, the settlement of which is expected to result in an outflow of resources embodying economic benefits. Obligations payable at the demand of the creditors or within one year of the reporting date are treated as current liabilities in the statement of financial position. Liabilities payable after one year from the reporting date are treated as non-current liabilities in the statement of financial position.

A provision is recognized if, as a result of a past event, the Society has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

(f) Taxation

i. Income taxation

"The Society" is exempt from income tax on interest income for the current year of assessment 2018/19, in terms of section 9 read in conjunction with clause (i) of the Third Schedule to the Inland Revenue Act No: 24 of 2017 in terms of a direction issued by the Inland Revenue Authorities.

(g) Employee benefits

i. Defined benefit plan

Gratuity is a defined benefit plan. The Society is liable to pay gratuity in terms of the relevant statute. In order to meet this liability, a provision is carried forward in the statement of financial position, equivalent to an amount calculated based on project unit credit basis using simplifications specified by the Section 28.

Provision is made for retirement gratuity for all employees in respect of gratuity payable under the Payment of Gratuity Act No.12 of 1983. The provision is not invested in a fund outside the Society. This item is grouped under non-current liabilities in the statement of financial position.

ii. Defined contribution plan.

Obligations to defined contribution plans are recognized as an expense in the income statement as incurred. The Society contributes 12% and 3% of gross emoluments of employees as Provident Fund and Trust Fund contribution respectively.

(h) Revenue recognition

Regular and adhoc donations and contributions are recognized when it is certain that the donation is made available for the benefit of Society. Interest income are accounted for in the period in which it relates.

(i) Expenses

All expenditure incurred in the operations of the Society and in maintaining the capital assets in a state of efficiency have been charged in arriving at the Society's deficit for the year.

(j) Restricted Funds

The society adopted the Statement of Recommended Practice issued by CA Sri Lanka .Where grants are received for use in an identified activity, such funds are held in a restricted fund account and transferred to the Statement of Comprehensive Income to match with expenses incurred in

THE SRI LANKA CANCER SOCIETY - PARENT SOCIETY

STATEMENT OF CASH FLOWS

For the year ended 31 March 2019

respect of that identified activity. Unutilized funds are held in their respective fund accounts and included in the Statement of Financial Position until such time as they are required.

Funds collected through a fund raising activity for any specific or defined purpose are also included under this category.

The activities for which these restricted funds may and are being used are identified in the notes to the financial statements.

(k) Unrestricted Funds

Unrestricted funds are those that are available for use by Cancer Society at the discretion of the Committee of Management, in furtherance of the general objectives of Cancer Society and which are not designated for any specific purpose.

Surplus funds are transferred from restricted funds to unrestricted funds in terms of the relevant Donor agreements or with the subsequent approval of the Donor.

Contributions received from the general public are recognized in the Statement of Comprehensive Income on a cash basis.

(l) Finance income and expenses

Finance income comprises interest income on funds invested. Interest income is recognised as it accrues in statement of income and expenditure.

Finance expenses comprise bank charges and finance expenses are recognised on cash basis.

(m) Events occurring after the reporting date

All material post reporting events have been considered and where appropriate adjustments or disclosures have been made in respective notes to the financial statements.

(n) Comparative information

Where necessary, comparative figures have been rearranged to confirm with the current year's presentation.

(o) Commitments and contingencies

Contingencies are possible assets or obligations that arise from a past event and would be confirmed only on the occurrence or non-occurrence of uncertain future events, which are beyond the Society's control.

Commitments are disclosed in Note 15 to the financial statements.

Contingent liabilities are disclosed in Note 16 to the financial statements.
